MEET THE JUDGE

Little Creek Longhorns was established in 2009 with our first longhorn cow in Eastern Nebraska. We became members of the TLBAA & NTLA in 2013. In 2015 we started to hit the road going all over across the country to Texas Longhorn shows, Big Horn Showcases & Futurities every year. We have been blessed raising champion bloodlines from our starter bull PPF The TinMan. Then we raised our own bred and raised bull Captain Crowbar, that won and sired multiple champion show winners at the local, state, and national levels. We have shown in Texas, Colorado, Oklahoma, & Nebraska.

In 2017 we became a member of the ITLA as well. We will continue to grow, promote, & produce high quality longhorns and encourage people from all over to come out and see the great color, conformation, large horn and gentle side of these magnificent animals.

We're looking forward to judging the B&C Show-Me Longhorn Sale Futurity this year. We have participated in this sale since 2014. Brandi and I feel honored to give back to this sale as it has given so much to us. The Sayres have been a pioneer and a vital part of the Texas Longhorn industry and have provided a valuable market for the Texas Longhorn Breeders of today!

Thank you,
